It is possible to use both the Sony PlayStation and the Microsoft Xbox One to access Google Classroom or Microsoft Teams.

Both gaming machines are indistinguishable from computers if a mouse and a keyboard are attached.

Please see instructions below

How to Access Online Learning on PlayStation

- Plug a keyboard and mouse into the PlayStation's USB slots (on the front)
- Identify the PlayStation internet browser icon (www with dots around it)
- Press the PlayStation logo on the controller
- Go to the library and find options for games and applications
- Go into applications and you will find the internet browser
- Type in Google Classroom and log in as you would in school
- You can the access your work and use key packages including Word, Excel, Power Point, Teams and emails

How to Access Online Learning on an Xbox

- Plug in a keyboard in to the Xbox USB slot
