Dear Parents/Carers

Due to the rising numbers of confirmed Covid cases in North Warwickshire, I have decided that it is best for the Harvest Service at St Nicholas due to take place next Tuesday to be limited to just staff and pupils. It will be a shame not to have the church filled with parents, grandparents and members of the community, but I do think in these circumstances it is best to err on the side of caution.

Hopefully, by Christmas, we will be in a position to invite parents into school and church for our nativity performances and carol concerts.

We will still be accepting donations of dried/tinned produce to church to be donated to the local hospice; please bring them into school on Monday 3 October.

Thank you for your continuing patience and support.

Yours sincerely

A H Simpson
