The team were really pleased on such a positive uptake of the vaccine and complimented the school on the behaviour of the children!

### School Photographs

Academy Photographers will be in school on Monday 9th November to take individual school photos.

Unfortunately due to Covid restrictions, there will not be any family photos this year, unless children are in the same Year group .

### Parent Governor Vacancy

We currently have a vacancy on the Governing Body for a Parent Governor.

For more information, please contact Heidi King, Clerk to the Governors, in the school office on 01827 715507

### Christmas Gift Sale

Mrs Sandland is hoping to hold a mini Christmas Gift Sale for the children during this half term. It is something she usually organises with the school council in order to raise funds for our chosen charity.

In order to maintain as safe an environment as possible and minimise risk, the following procedures will be put in place:

- 1) Each class bubble will visit the sale at a set time
- 2) Children will only handle things they are going to buy (they will be allowed to look at, but not touch items)
- 3) One staff member from the bubble, wearing gloves, will take money
- 4) A second staff member from the bubble, wearing gloves, will hand over selected purchases. This will ensure that only your child will actually touch what he/she has purchased.
- 5) All gifts will be quarantined for at least 72 hours - more, where possible (Most items have already been in quarantine for the last eight weeks)

Gifts will be charged at the following prices: 10p - 90p or 50p, £1, £1.50, £2, £2.50 and £3, £3.50.

It would be very helpful if your child brought in loose change/coins in a named envelope/bag should they wish to purchase something (this would ensure that no change would need to be given)

A text will be sent out nearer the time when the sale is going to take place.
