

Dear Parents or Guardians,

As we enter the second week of the second half term in Reception, we will be starting to send more bits and bobs home for the children to practise.

This letter will just explain when to expect things home and when they will need to come back into school.

- As you know, the children now all have a reading book. These need to be practised at home at least 5 times a week and returned every **Tuesday**.
- You should have had a letter about Maths games, these will be sent home on a **Monday** and need to be returned the following **Monday**.
- Now the children are learning more and more sounds, we will be sending Phonic Books home. They will have some guidance on the front. These will be sent home on **Fridays** but please bring them back on **Thursdays** so that we can prepare them for the following week.

Unfortunately we do not have the time to change games or books if they are returned on the wrong day.

On a similar note, the children are still getting used to lunch time. They are taking quite some time to eat and, therefore, not getting a lot of time to play outside.

Please could you help your children to practise using their knife and fork and eating a little bit quicker.

As ever, if you have any questions, please ask!

Thank you for your continued support.

Miss Court and Mrs Hudspith ☺
